

# COLD PRESSED OILS CONTRACT MANUFACTURING

Spray Drying-Essential Oil Steam Distillation  
Botanical Extracts- Plant, Fruit & Vegetable Fermentation  
Cold Pressed Oils-Small Batch Runs  
Research and Development-Product Formulation  
Chemical Substitution-Marketing and Business Planning

## COLD PRESSED OILS CONTRACT MANUFACTURING

Cold Pressed Oils retain the seeds or nuts original nutrients, flavours and aromas. Cold pressed oils are as a nature intended which makes them unique and different.

Our contract cold pressing services for seeds and nuts will help you produce unique oils specific to your requirements.

We are able to undertake small batch runs on our small presses and larger volumes on our larger presses.

We can filter the oil to create clear oil free from contaminants.

Contact us to discuss your requirements.

### ADVANTAGE

Cold pressing creates a natural product free from solvents and contaminants. The cost of manufacturing is cost effective and proven.

### COMPETITIVE PRICING

Our pricing model is straight forward.  
A once of establishment fee for a known process.  
A fixed fee per tonne of raw material processed.
